Gift Aid Declaration

As a registered charity, BOSPA is able to claim tax relief on your payments (28p per £1) when treated as a donation to BOSPA. As you can appreciate, this significantly increases the amount of funding we have available to expand and continue our work and we urge your support for this.

I am a UK taxpayer and I request BOSPA treat all donations that I make from this date, and all donations I have made previously, as Gift Aid donations, until I notify otherwise.
